

## UICC TNM NATIONAL COMMITTEE ANNUAL REPORT

Country / Region: Denmark

Reporting period: May 2016 – April 2017

### 1. Short summary of the National Committee achievements in the reporting period

The National Danish TNM Committee was founded in 2016. The primary task for the committee has been to establish itself and to define a strategy for the committee's future work. The committee has also been focused on implementing the 8<sup>th</sup> edition of the TNM-classification. Some of the Multidisciplinary Cancer Group's in Denmark have implemented the 8<sup>th</sup> edition, while other groups will wait until January 1<sup>st</sup> 2018.

### 2. List of activities in the reporting period:

#### a) Initiatives on dissemination of TNM or TNM related cancer staging topics

- a. The Committee has published a document (in Danish) with all the changes from the 7<sup>th</sup> edition to the 8<sup>th</sup> edition.
- b. The Committee has also published a document (in Danish) with an introduction to the TNM-classification, to ensure that all are familiar with the general rules of the classification scheme.

#### b) Publications on TNM related cancer staging topics

- a. None

#### c) Workshops, conferences, lectures, presentations on TNM related topics

- a. None

#### d) National Committee Meetings

- a. The Committee has held 1 meeting in 2016.
